

TORONTO
FRINGE
FESTIVAL

You're Invited...

April 11, 2022 – We are thrilled to officially announce the **34th ANNUAL TORONTO FRINGE FESTIVAL** will be live in-person, in accessible venues across the city, **JULY 6 - 17th, 2022**.

Along with the festival programming, we are pleased to invite all to join us at our **POSTSCRIPT Patio** returning after over ten years to the iconic **TRANZAC CLUB** in the Annex. For Fringers in the East End, we are opening a **POSTSCRIPT Lounge** in the CSI Livingroom of **DANIELS SPECTRUM**, for folks to enjoy refreshments between shows.

This year's festival will include **100 shows**, chosen by lottery. ***Approximately 75% of this year's artists are those who have been waiting for this chance to share their work since the shutdown of the in-person 2020 Fringe.*** We can't wait to safely welcome our patrons, veteran Fringers and first-timers alike, to celebrate and enjoy the work of all the artists participating this year.

2022 TORONTO FRINGE VENUES INCLUDE:

Al Green Theatre
Daniels Spectrum
Factory Theatre
Aki Studio
The Robert Gill Theatre
St. Vladimir Institute
Streetcar Crowsnest
Tarragon Theatre

Further details about all our programming to follow in May.
